**PETITION TO ACCEPT THE OATH AND DECLARATION IN A NON-PROVISIONAL
APPLICATION WITHOUT INVENTORS' SIGNATURES**

Sir:

Pursuant to 37 C.F.R. § 1.47(a), Applicant respectfully requests the enclosed Oath and Declaration and Power of Attorney be accepted by the U.S. Patent and Trademark Office as a missing part of the above-identified patent application without the signatures of two of the three inventors.

The referenced utility patent application lists Anthony Fontaine, John Im, and Wesley Park as its inventors, based upon the priority Provisional patent application that was filed on July 9, 1999.

As set forth in 37 C.F.R. § 1.47(a), proof of a diligent effort to locate the two remaining inventors, is attached by the Declaration of Monica J. Finta.

Because Applicants cannot find or locate any forwarding addresses for the two remaining inventors, Applicants are enclosing herewith the oath and declaration executed only by one inventor, Anthony Fontaine, as required by 37 CFR §1.63.
